See Something, Say Something

The recent events at the Boston Marathon remind us all that safety and security are a shared responsibility. Through partnerships, we are committed to providing a comprehensive program of education, enforcement and protection services which creates a safe and secure environment.

You are the most reliable source regarding anything that appears unusual. Please be aware of your surroundings. Your effort makes a difference.

What should you look for?

- Person(s) taking notes, drawings, photos, or videos of your business
- Person(s) attempting to gain information in person, by phone, or by email about your business operations (specifically about security measures and personnel)
- Person(s) conducting surveillance
- Person(s) attempting to gain access to restricted or unauthorized areas
- Thefts of employee uniforms, badges, or packaging labels
- Employees changing working behavior or working irregular hours
- Unattended vehicles illegally parked near your business
- Unattended items (e.g., backpacks, boxes) within or near your business

What should you do?

- Keep your work areas secured
- Be mindful that doors close and secure properly and that nobody “tailgates” through a door behind you
- Be sure to report any suspicious persons or behavior to the UTHSCSA Police Department
